

# XX-WL01

## Technical Information :

Color	: 5 Color
Electrical Life	: 10.000 hour
Operating Temperature	: °C-25/+70
	: 300 V
Insulation Voltage (Ui)	: IP65
Protection Degree	: 50 Hz
Frequency (f)	: TS EN 60947-1
Standard	: TS EN 60947-5-1
	: TS EN 60947-5-1/A1

## TECHNICAL SPECIFICATIONS

Dear Customer,

- We kindly request that you pay attention to the issues below, in order to be able to use the product you purchased correctly and for its purpose:
- Please read the entire User's Manual and Technical Specifications provided, before the product installation and keep them as a reference throughout use.
- Please don't take products with damaged packaging.
- Please ensure that the product and parts of the product are complete and in original packaging.
- Please make sure that the code of the product you ordered and the code on the packaging match, otherwise please return without opening.

## PRODUCT TECHNICAL SPECIFICATIONS

- Our product complies with TS EN 61812-1 standard and is under warranty by ARMENDUS for 2 years against manufacturing fault s.
- Please have only qualified electricians install the products.
- Please make sure power is cut off before installation of our products. -Please choose the ARMENDUS product most suitable for rated voltage and current values.
- Operating temperatures of the products are between -25 °C and +70 °C.
- Short circuit protection components are located on the low voltage switch box that the products are connected in order to protect power plant and plant components.
- Products should be sheltered from elements like rain, water, moisture and fire that can damage the product and product package.
- Storing conditions specified on the packaging should be observed.
- Products should not be installed on a moist, newly-painted surface.
- Products should not be covered with insulating or similar material.
- Products should be used on environment conditions complying with the IP levels specified on product label.
- Product should be installed by observing the warning signs and symbols specified on the product label and product user manual.
- Please contact ARMENDUS for faults in the products. We advise you to pay attention to the issues specified in this technical specification to be able to use the product efficiently. We remind you that our company will not be responsible for any damages incurred by noncompliance with these rules, and the product warranty will be void.
